42.30.080. Special meetings

Effective: June 7, 2012

Currentness

(1) A special meeting may be called at any time by the presiding officer of the governing body of a public agency or by a majority of the members of the governing body by delivering written notice personally, by mail, by fax, or by electronic mail to each member of the governing body. Written notice shall be deemed waived in the following circumstances:

(a) A member submits a written waiver of notice with the clerk or secretary of the governing body at or prior to the time the meeting convenes. A written waiver may be given by telegram, fax, or electronic mail; or

(b) A member is actually present at the time the meeting convenes.

(2) Notice of a special meeting called under subsection (1) of this section shall be:

(a) Delivered to each local newspaper of general circulation and local radio or television station that has on file with the governing body a written request to be notified of such special meeting or of all special meetings;

(b) Posted on the agency's web site. An agency is not required to post a special meeting notice on its web site if it (i) does not have a web site; (ii) employs fewer than ten full-time equivalent employees; or (iii) does not employ personnel whose duty, as defined by a job description or existing contract, is to maintain or update the web site; and

(c) Prominently displayed at the main entrance of the agency's principal location and the meeting site if it is not held at the agency's principal location.

Such notice must be delivered or posted, as applicable, at least twenty-four hours before the time of such meeting as specified in the notice.

(3) The call and notices required under subsections (1) and (2) of this section shall specify the time and place of the special meeting and the business to be transacted. Final disposition shall not be taken on any other matter at such meetings by the governing body.

(4) The notices provided in this section may be dispensed with in the event a special meeting is called to deal with an emergency involving injury or damage to persons or property or the likelihood of such injury or damage, when time requirements of such notice would make notice impractical and increase the likelihood of such injury or damage.
