

**RESOLUTION NO. R-2018-**

**A RESOLUTION** authorizing the City Manager to adopt the 2019 annual fee schedule for the City of Yakima.

**WHEREAS**, the City provides a number of municipal services to the residents of Yakima through its City Departments and Divisions; and

**WHEREAS**, these services need to recover some or all of the costs associated with delivery to minimize the impact of said services on the General Fund (Fund 001); and

**WHEREAS**, during the 2019 Budget Preparation process the City Council directed staff to adopt cost recovery fees for services provided to other governmental entities; and

**WHEREAS**, the City Council directed staff to develop user fees using tiers that take into consideration the demographics of the uses; and

**WHEREAS**, the City Council directed staff to update these cost recovery fees annually; and

**WHEREAS**, the City Council wishes to ensure annual adjustments to all municipal fees are done in a predictable and periodic manner; and

**WHEREAS**, the City Council wishes to analyze fee changes at a policy level instead of addressing individual fees throughout the year on a case-by-case basis;

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF YAKIMA:**

The City Manager is hereby authorized and directed to present an annual fee schedule reflecting any adjustments to fees related to municipal services provided to the public and other governmental partners.

**ADOPTED BY THE CITY COUNCIL** this 4<sup>th</sup> Day of December, 2018.
