

RESOLUTION NO. R-2019-_____

A RESOLUTION authorizing a contract with P. O. W. Contracting for Water and Sewer Improvements along Hathaway Street.

WHEREAS, the City of Yakima maintains the Domestic Water System and Wastewater Collections System in accordance with applicable Federal, State and Local regulations; and

WHEREAS, the City of Yakima Water and Wastewater Divisions have identified pipeline segments that require rehabilitation or replacement, and

WHEREAS, this and future projects will stabilize current conditions of the city's water and wastewater pipe systems and reduce leakage of domestic water, and infiltration of groundwater into the wastewater collections system, which will reduce repairs, treatment costs, improve reliability of both systems, and limit the need for upgrades to the Wastewater Treatment Plant, and

WHEREAS, by resolution R-2018-066 and R-2018-018, the City entered into agreements with HLA Engineering and Surveying, Inc. (HLA) to prepare the plans and contract documents for the rehabilitation of City of Yakima water and sanitary sewer main lines in various locations in city, and

WHEREAS, the City of Yakima Water/Irrigation Division and Wastewater Division requires construction services for the rehabilitation of the deficient system pipes and facilities; and

WHEREAS, The City of Yakima used the procedure established by the State of Washington for competitively bidding projects, and

WHEREAS, P. O. W. Contracting submitted the low bid and has the ability to perform the contact specified work, and

WHEREAS, the City Council finds that it is in the best interest of the City of Yakima and its residents to enter into a contract with P. O. W. Contracting to perform the work detailed in the contract documents for the installation of 3,200 LF 12-inch ductile iron water main, 2,080 LF 8-inch sewer main, 1,250 LF 4-inch sewer pipe, reconstruction of existing roadway and other related work; now, therefore

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF YAKIMA:
