8.70.050 Renaming of streets.

(A) Any resident of the city of Yakima may petition in writing on a form provided by the city, to the Yakima city council, a request to officially rename a street that has an existing name. The petition shall be accompanied by a petition fee of five hundred dollars.

(B) Upon receipt of a petition and payment of the petition fee, the city council shall consider the matter at a regular council meeting and make an initial determination of whether the petition is a valid request that should be considered in a public hearing. If so, the city council shall schedule a time, date and place for the public hearing.

(C) Upon scheduling of the public hearing, the director shall notify all property owners abutting the street by first-class mail of the public hearing time, date and place, which notice shall precede the hearing date by no less than thirty days. Tax assessment and city of Yakima utility records shall be used for ascertaining owner address information.

(D) The director will provide notice to, and solicit input from, government agencies and utility providers likely to have an interest in such renaming (for example, the Yakima fire department, the Yakima public safety communications division, the Yakima police department, the Yakima water/irrigation division, the Yakima wastewater treatment division, the Yakima engineering division, Yakima County, the U.S. Postal Service, Cascade Natural Gas Company, and Pacific Power).

(E) The city council shall approve by ordinance the request upon determining that the proposed renaming is in the best interest of the city of Yakima and is consistent with the street naming policy set forth at YMC 8.70.030. (Ord. 2006-08 § 1 (part), 2006: Ord. 2005-24 § 1 (part), 2005).
