

**RESOLUTION NO. R-2019-**

**A RESOLUTION** authorizing an Engineering Services Agreement with JUB Engineering, Inc. for Engineering Services to rehabilitate the Runway 9/27 High Intensity Runway Lighting system.

**WHEREAS**, City owns and operates Yakima Air Terminal-McAllister Field in accordance with applicable Federal, State and Local regulations; and

**WHEREAS**, the City maintains a roster of consultants whose statements of qualifications represent that they have the expertise necessary to perform the services required by the City; and

**WHEREAS**, the State of Washington requires that engineering services be performed by a Professional Licensed Engineer; and

**WHEREAS**, the City Council has determined that it is in the best interest of the Yakima Air Terminal and the residents of the City to enter into an Engineering Services Agreement with JUB Engineering, Inc., attached hereto and incorporated herein by this reference, to provide project formulation, design, bidding services, and to develop and submit a grant application in order to rehabilitate the Runway 9/27 High Intensity Runway Lighting system as well as to crack seal and sealcoat asphalt surfaces which will extend the overall life expectancy of Yakima Air Terminal-McAllister Field's primary Runway; and

**WHEREAS**, the Yakima Air Terminal-McAllister Field has coordinated with the Federal Aviation Administration through the airport's Capital Improvement Plan to utilize approximately \$129,726.00 of federal grant funds and approximately \$14,414.00 of Passenger Facility Charge funds, used as the airport's local match requirement, to fund the work to be performed under the terms of the Engineering Services Agreement; and

**WHEREAS**, in accordance with the terms and conditions of the Agreement for engineering services attached hereto the engineer will perform the services outlined in the Engineering Services Agreement during the 2019-2020 calendar year, Now, Therefore,

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF YAKIMA:**

The City Manager is hereby authorized and directed to execute the attached and incorporated Engineering Services Agreement with JUB Engineering, Inc. in the amount not to exceed one hundred forty-four thousand one hundred forty dollars (\$144,140.00), to provide Engineering Services for rehabilitation of the airport's Runway 9/27 High Intensity Runway Lighting system, as well as to crack seal and sealcoat runway asphalt surfaces to extend the life expectancy of the runway, as provided under Airport Improvement Program 3-53-0089-43.

**ADOPTED BY THE CITY COUNCIL** this 7<sup>th</sup> day of May, 2019.
