

RESOLUTION NO. R-2020-_____

A RESOLUTION authorizing a contract with Michels Corporation for City Project No. 2496 Stormwater Infrastructure Rehabilitation

WHEREAS, two thousand and sixty (2,060) linear feet of failed clay and concrete stormwater drainage pipe comprising segments of former Drainage Improvement Districts Nos. 4, 29, and 38 requires lining to prevent back-ups and flooding caused by root intrusion; and

WHEREAS, HLA Engineering and Land Surveying, Inc. has provided the plans and contract documents under City Contract No. 2019-099 for the drainage pipe lining using cured-in-place (CIPP) technology; and

WHEREAS, the City of Yakima used the procedures established by Washington State law for the bidding and awarding of public capital improvement projects during the selection of the contractor for this project; and

WHEREAS, Michels Corporation submitted the low bid and has the ability and expertise to correctly line the stormwater drainage pipe at a cost of Two Hundred Forty-Four Thousand Four Hundred Ninety-Five Dollars (\$244,495); and

WHEREAS, the City's Chief Engineer has recommended awarding the contract to Michels Corporation to accomplish the installation of the improvements; and

WHEREAS, the City Council finds that it is in the best interests of the City of Yakima and its residents to rehabilitate the stormwater infrastructure described in the contract attached hereto and incorporated herein by this reference; now, therefore

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF YAKIMA:

The City Manager is hereby authorized and directed to execute the attached and incorporated contract with Michels Corporation, in the amount of Two Hundred Forty-Four Thousand Four Hundred Ninety-Five Dollars (\$244,495) for City Project No. 2496 for the rehabilitation of failed stormwater pipe.

ADOPTED BY THE CITY COUNCIL this 7th day of January, 2020.

ATTEST:

, Mayor

Sonya Claar Tee, City Clerk
