

RESOLUTION NO. R-2020-

A RESOLUTION Declaring surplus biomass from the Wastewater Division as surplus to the needs of the City of Yakima, and authorizing the City Manager to dispose of biomass in a manner most beneficial to the City of Yakima.

WHEREAS, the City of Yakima (City) Wastewater Treatment Plant produces excess anaerobic biomass for which the City has no immediate or foreseeable use and which is surplus to the needs of the City; and

WHEREAS, the City would like to list and sell up to 250,000 gallons of the biomass with an estimated value greater than Fifteen Thousand Dollars (\$15,000) on the Public Surplus online auction site, which is a reasonable method for selling said surplus property; and

WHEREAS, the City Council finds and determines that the subject anaerobic biomass is surplus to the uses and needs of the City of Yakima, and that a declaration of surplus and authorization for disposition of up to 250,000 gallons of biomass on the Public Surplus online auctions site is in the best interests of the residents of the City of Yakima, and will promote the public health, safety and welfare; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF YAKIMA:

The City Council hereby declares the aforementioned 250,000 gallons of anaerobic biomass to be surplus to the needs of the City of Yakima and the City Manager is hereby authorized and directed to dispose of said property through online auction in a manner most beneficial to the City of Yakima.

ADOPTED BY THE CITY COUNCIL this 21st day of April, 2020.

ATTEST:

Patricia Byers, Mayor

Sonya Claar Tee, City Clerk
