Dear City Manager,

My name is Debbie Pottenger and I was just awarded a grant to get a new roof done to my home. I cannot tell you how grateful I am to be gifted this. A year ago we had a really bad wind storm & it just destroyed my roof. I had repairs done to keep it protected but I had no way of getting a new one. Eventually the wind blew more & more shingles kept blowing off. I had no idea what I was going to with winter coming. I came across this program & within 2 weeks after applying for help I had a new roof! It is absolutely beautiful! I just can't say thank you enough.

God bless all of you,
Debbie Pottenger

OFFICE OF CITY MANAGER

Dear Council Members,

This past summer I was blessed with having a new roof put on my home through the service of Mr. Archie Mathews and the Community Development Dept.

This was really appreciated because I am on Soc. Sec. And also my roof was leaking! Carlos Vargas and his men did a great job and they were all friendly.

So I wish to thank all of you for the service you provided me and also that you provide for the City of Yakima!
May all of you have a great Day!

Sincerely,
Raymond
