

RESOLUTION NO. R-2021-_____

A RESOLUTION authorizing a contract with Insituform Technologies, LLC. for Project 2495 Cured-In-Place Pipe Rehabilitation of Sanitary Sewer Mains

WHEREAS, the City of Yakima maintains the Wastewater Collections System in accordance with applicable Federal, State and Local regulations; and

WHEREAS, the City of Yakima Wastewater Division has identified pipeline segments that require rehabilitation or replacement; and

WHEREAS, this and future projects will stabilize current conditions of the city's wastewater pipe system and reduce infiltration of groundwater which will save treatment costs, improve collection system reliability, and limit the need for upgrades to the Wastewater Treatment Plant; and

WHEREAS, by resolution R-2020-034, the City entered into an agreement with HLA Engineering and Surveying (HLA) to prepare the plans and contract documents for the rehabilitation of City of Yakima sanitary sewer main lines in various locations in city, and

WHEREAS, the City of Yakima Wastewater Division requires construction services for the rehabilitation of the deficient collections system pipes; and

WHEREAS, The City of Yakima used the procedure established by the State of Washington for competitively bidding projects; and

WHEREAS, Insituform Technologies, LLC. submitted the low bid and has the ability to perform the contract specified work; and

WHEREAS, the City Council finds that it is in the best interest of the City of Yakima and its residents to enter into a contract with Insituform Technologies, LLC. to perform the work detailed in the contract documents for the rehabilitation of approximately 15,550 LF of aging City of Yakima sanitary sewer main lines by means of cured-in-place pipe; now, therefore

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF YAKIMA:

The City Manager is hereby authorized to execute the attached contract with Insituform Technologies, LLC., in the amount of SIX HUNDRED SEVENTY-SIX THOUSAND AND SEVENTY-SEVEN DOLLARS (\$676,077)., for rehabilitation of approximately 15,550 LF of aging City of Yakima sanitary sewer main lines by means of cured in place pipe in various locations in city

ADOPTED BY THE CITY COUNCIL this 5th day of January, 2021.

ATTEST:

Patricia Byers, Mayor

Sonya Claar Tee, City Clerk
