A termination of this Agreement shall simultaneously terminate any outstanding Statements of Work or other agreement for Services.

7.3 Termination by Journal Technologies.

7.3.1 Payment Default. Journal Technologies shall have the right to terminate this Agreement (but reserving cumulatively all other rights and remedies under this Agreement, in law and/or in equity), for any failure of Client to make payments of amounts due when the same are due, and such failure continues for a period of thirty (30) days after written notice thereof by Journal Technologies to Client.

8.3 No Third Party Beneficiaries. This Agreement is not intended to create any right in or for the public, or any member of the public, any subcontractor, supplier or any other third party, or to authorize anyone not a party to this Agreement to maintain a suit to enforce or take advantage of its terms.

8.4 Successors and Assigns. Neither party may assign this Agreement in whole or part without the prior written consent of the other party; provided that Journal Technologies may assign this Agreement to another subsidiary of Daily Journal Corporation, directly or by operation of law, without the prior written consent of Client. Any attempt to assign this Agreement without the prior written consent of the other party is void and without legal effect, and such an attempt constitutes a material breach and grounds for termination by the other party. Subject to the foregoing, all of the terms,

conditions, covenants and agreements contained herein shall inure to the benefit of, and be binding upon, any successor and any permitted assignees of the respective parties hereto. It is further understood and agreed that consent by either party to such assignment in one instance shall not constitute consent by the party to any other assignment. A transfer of corporate control, merger, sale of substantially all of a party's assets and the like, even though including this Agreement as an assigned asset or contract, shall not be considered an assignment for these purposes.

8.5 Dispute Resolution. Any dispute arising under or related to this Agreement shall be resolved exclusively as follows, with the costs of any mediation and arbitration to be shared equally by both parties:

8.5.1 Initial Resolution by Meeting. The parties shall first attempt to resolve amicably the dispute by meeting with each other, by telephone or in person at a mutually convenient time and location, within thirty (30) days after written notice of a dispute is delivered from one party to the other. Subsequent meetings may be held upon mutual agreement of the parties.

8.5.2 Mediation. If the dispute is not resolved within sixty (60) days of the first meeting, the parties shall submit the dispute to mediation by an organization or company specializing in providing neutral, third-party mediators. Client shall be entitled to select either (i) the location of the mediation or (ii) the organization or company, and Journal Technologies shall select the other. The mediation shall be conducted within sixty (60) days of the date the dispute is submitted to mediation, unless the parties mutually agree on a later date.

8.5.3 Arbitration. Any dispute that is not otherwise resolved by meeting or mediation shall be exclusively resolved by arbitration between the parties in accordance with the Comprehensive Arbitration Rules & Procedures of JAMS, with the arbitration to be conducted in Los Angeles, California, or another location mutually agreed by the parties, or remotely, in accordance with terms and conditions of JAMS' virtual arbitration services. The results of such arbitration shall be binding on the parties, and judgment may be entered in any court having jurisdiction. Notwithstanding the foregoing, either party may seek interim injunctive relief from any court of competent jurisdiction.

8.6 Control of Defense. All indemnification obligations under this Agreement are conditioned upon (i) written notice by the indemnified party to the indemnifying party within thirty (30) days of the indemnified party's receipt of any claim for which indemnification is sought, (ii) tender of control over the defense and settlement to the indemnifying party and (iii) such reasonable cooperation by the indemnified party in the defense as the indemnifying party may request; provided, however, the indemnifying party shall not, without the prior written consent of the indemnified party, settle, compromise or consent to the entry of any judgment with respect to any pending or threatened claim unless the settlement, compromise or consent provides for and includes an express, unconditional release of such claim against the indemnified party.

8.7 Force Majeure. Neither party will be liable for any delay or failure to perform any obligation under this Agreement (except for any obligations to make payments) where the delay or failure results from any cause beyond such party's reasonable control including, without limitation, acts of God, labor disputes or other industrial disturbances, electrical or power outages, utilities or other telecommunications failures, internet service provider failures or delays, denial of service attacks, earthquake, storms or other elements of nature, blockages, embargoes, riots, acts or orders of government, acts of terrorism, war, epidemics, or pandemics.

8.8 Governing Law. The validity, construction and performance of this Agreement and the legal relations among the parties to this Agreement shall be governed by and construed in accordance with the laws of the State of California without giving effect to its conflict of law principles.

8.9 Independent Contractor. Journal Technologies, in performance of this Agreement, is acting as an independent contractor. Personnel supplied by Journal Technologies (including personnel supplied by subcontractors) hereunder are not Client's personnel or agents, and Journal Technologies assumes full responsibility for their acts. Journal Technologies shall be solely responsible for the payment of compensation of Journal Technologies employees and contractors assigned to perform services hereunder, and such employees and contractors shall be informed that they are not entitled to the provision of any Client employee benefits. Client shall not be responsible for payment of worker's compensation, disability or other similar benefits, unemployment or other similar insurance or for withholding income or other similar taxes or social security for any Journal Technologies employee, and such responsibility shall solely be that of Journal Technologies.

8.10 Severability. In the event any one or more of the provisions of the Agreement shall for any reason be held to be invalid, illegal or unenforceable, the remaining provisions of this Agreement shall be unimpaired, and the invalid, illegal or unenforceable provision shall be replaced by a provision, which, being valid, legal and enforceable, comes closest to the intention of the parties underlying the invalid, illegal or unenforceable provision.

8.11 Entire Agreement. This Agreement, together with the License Agreement and all Exhibits attached hereto and thereto, constitutes the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein and therein, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to such subject matter. For the avoidance of doubt, the preceding sentence does not and shall not be interpreted to supersede any existing written contracts between the parties relating to JustWare, which contracts shall be governed solely in accordance with the terms of such contracts.

8.12 Counterparts. This Agreement and any Statement of Work may be executed in counterparts and by the exchange of signatures by facsimile or PDF.
