**North 1st Street – Phase 3
2021 NHS Asset Management Award
Federal Funding**

Dear Mr. Preston:

WSDOT is pleased to advise you that the above-mentioned project was selected to receive funding through the National Highway System (NHS) Asset Management program. In the 2021-2023 Transportation Budget, funding from the National Highway Freight Program (NHFP) was provided to the NHS Asset Management preservation call for projects. NHFP funds are only eligible for work on the National Highway Freight Network (NHFN). Because the NHFP funds can only be expended on the freight network, separate schedules are required for work located on and off the NHFN. The federal funding is limited as shown below:

North 1st Street – Phase 3

NHFP Funding:

\$2,090,000

Scope: Reconstruct and widen roadway, bike lanes, curb and gutter, sidewalks, curb ramps, illumination, and signals.

Note: No local match required.

In order to meet federal and state requirements, the following are required:

- Project expenditures incurred before receiving notice from Local Programs of federal fund authorization are not eligible for reimbursement.
- Please refer to the Local Programs webpage for detailed authorization information including: (<http://www.wsdot.wa.gov/localprograms/>)
 - ✓ Local Agency Guidelines (LAG) manual for detailed requirements;
 - ✓ Transportation Improvement Program (TIP) and Statewide Transportation Improvement Program (STIP) amendments, as applicable;
 - ✓ Funding and billing forms;
 - ✓ Quarterly Project Report required to be completed by the end of March, June, September, and December each year.
- Construction is required to be authorized by August 31, 2023, or the funds lapse.
