

DATA COLLECTION WORKSHEET

Name of Business: _____

Address: _____

Contact Information: _____

The City is seeking information and data regarding persons who are either sitting or lying on sidewalks, in doorways, or on other rights-of-way used for pedestrian travel adjacent to your business. Please use this worksheet to document each occurrence you see of this activity. We are not asking for names, photographs, or other information about the person(s) who are sitting and/or lying in these areas, just documentation as to location, time of day, and limited other information.

Timeframe: Please document any occurrences from January 1st through January 31st.
Worksheets should be returned to the City on or before February 11, 2022.

If you have any questions, please contact _____
