RE: November 2021 Investment Transactions

---

The investment transactions for November 2021 were:

Matured:

- none

Called:

- none

Purchased:

- \$2,000,000 US Treasury maturing on February 28, 2025

The focus of investments now is to fill maturity gaps in a shortened (3-4-year maturity horizon, instead of 5-year pre-COVID) ladder to minimize reinvestment risk subject to rates at any one point in time and hedging against further decreasing rate exposure.

*This monthly memorandum of all investment transactions complies with RCW 35.39.032 ("The responsible official or committee shall make a monthly report of all investment transactions to the city legislative authority").*
