

INTERAGENCY AGREEMENT

BETWEEN THE

Washington Traffic Safety Commission

AND

**The City of Yakima through its Yakima
Police Department**

THIS AGREEMENT is made and entered into by and between the Washington Traffic Safety Commission, hereinafter referred to as “WTSC,” and the City of Yakima, through its police department, hereinafter referred to as “SUB-RECIPIENT.”

NOW THEREFORE, in consideration of the authority provided to WTSC in RCW 43.59 and RCW 39.34, terms, conditions, covenants, and performance contained herein, or attached and incorporated and made a part hereof, the parties mutually agree as follows:

1. PURPOSE OF THE AGREEMENT:

The purpose of this Agreement is to provide funding, provided by the United States Department of Transportation (USDOT) National Highway Traffic Safety Administration (NHTSA) and allowed under the Assistance Listing/Catalog of Federal Domestic Assistance (CFDA) #20.600, for traffic safety grant project 2022-Sub-grants-4425-Region 13 LEL-Yakima.

2. PERIOD OF PERFORMANCE

The period of performance of this Agreement shall commence upon the date of execution by both parties, but not earlier than October 1, 2021, and remain in effect until September 30, 2022 unless terminated sooner, as provided herein.

3. STATEMENT OF WORK

The SUB-RECIPIENT shall carry out the provisions of the traffic safety project described here as the Statement of Work (SOW). If the SUB-RECIPIENT is unable to fulfill the SOW in any manner on this project, the SUB-RECIPIENT must contact the WTSC program manager immediately and discuss a potential amendment. All Federal and State regulations will apply.

3.1 SCOPE OF WORK

3.1.1 Problem ID and/or Opportunity

The Law Enforcement Liaison (LEL) program provides an opportunity for the WTSC to work with state and local organizations to develop and implement statewide initiatives focusing on traffic safety education and culture change. The frequency of contact with local law enforcement is important to help facilitate their cooperation in achieving the Washington State Traffic Safety Commission’s

(WTSC) mission of building partnerships to save lives and prevent injuries on our roadways for the health, safety, and benefit of our communities. The LEL program provides the conduit to make those connections while helping the WTSC and local coordinators implement agency strategies.

3.1.2 Project Goal

This project will provide funding for a law enforcement liaison to build support for traffic safety within their local law enforcement community and be the bridge between the Target Zero Manager and law enforcement, in order to increase traffic safety culture and reduce crashes.

3.1.3 Project Strategies, Objectives, and Measures

Project Strategies:

The SUB-RECIPIENT will appoint a commissioned officer to serve in the role of Law Enforcement Liaison (LEL) for the local WTSC region. This LEL will use their role as a respected law enforcement official to build support of traffic safety within the regional law enforcement community.

Project Objectives:

1. Support local Target Zero Managers (TZM) in planning and executing High Visibility Enforcement (HVE) campaigns. Support and assist the TZM in holding regional planning meetings for HVE events and make an effort to be at all task force meetings.
2. Solicit agencies to participate in the WTSC HVE mobilizations
3. Promote proven traffic safety countermeasures and enforcement strategies.
4. Increase officer commitment and effectiveness during the WTSC HVE mobilizations and other Target Zero enforcement activities. WTSC expects that the LEL will actively engage in the HVE events in their region.
5. Provide support during WTSC High Visibility Enforcement mobilizations and other traffic safety media interests. Ensure that a local law enforcement officer is available for media interviews during all task force events.
6. Promote training in local region for law enforcement participants. (webinars, Below 100, SECTOR DUI, ARIDE, DRE, traffic safety classes, etc)
7. Increase law enforcement officers' understanding of strategies for HVE campaigns, including participation requirements, activity logs, expected results and outcomes, and related communications activities.
8. Assist the Washington Traffic Safety Commission (WTSC) by providing the law enforcement perspective as it develops plans for local and statewide traffic safety programs. Have a good working knowledge of the WTSC Strategic Highway Safety Plan.
9. Communicate via email, telephone, and in person contact with the WTSC Statewide LEL. The partnership between the region LEL and the WTSC Statewide LEL will enhance the support for the TZM, and promote further collaboration concerning WTSC HVE mobilizations and other Target Zero activities.
10. Create and maintain an up-to-date point of contact list for each law enforcement agency in your region. This list should be used to disseminate pertinent documents and HVE information.
11. Participate in WTSC-sponsored or approved professional development conferences or training and attend semi-annual TZM/LEL meetings or other development training as assigned or upon approval. (Summary of the event may be requested by WTSC)

Project Performance Measures:

WTSC will ask the Regional TZM to provide a performance review at the end of the year.

17. INDEMNIFICATION

17.1. To the fullest extent permitted by law, the SUB-RECIPIENT shall indemnify and hold harmless the WTSC, its officers, employees, and agents, and process and defend at its own expense any and all claims, demands, suits at law or equity, actions, penalties, losses, damages, or costs of whatsoever kind ("claims") brought against WTSC arising out of or in connection with this Agreement and/or the SUB-RECIPIENT's performance or failure to perform any aspect of the Agreement. This indemnity provision applies to all claims against WTSC, its officers, employees, and agents arising out of, in connection with, or incident to the acts or omissions of the SUB-RECIPIENT, its officers, employees, agents, contractors, and subcontractors. Provided, however, that nothing herein shall require the SUB-RECIPIENT to indemnify and hold harmless or defend the WTSC, its agents, employees, or officers to the extent that claims are caused by the negligent acts or omissions of the WTSC, its officers, employees or agents; and provided further that if such claims result from the concurrent negligence of (a) the SUB-RECIPIENT, its officers, employees, agents, contractors, or subcontractors, and (b) the WTSC, its officers, employees, or agents, or involves those actions covered by RCW 4.24.115, the indemnity provisions provided herein shall be valid and enforceable only to the extent of the negligence of the SUB-RECIPIENT, its officers, employees, agents, contractors, or subcontractors.

17.2. The SUB-RECIPIENT agrees that its obligations under this Section extend to any claim, demand and/or cause of action brought by, or on behalf of, any of its employees or agents in the performance of this agreement. For this purpose, the SUB-RECIPIENT, **by mutual negotiation**, hereby waives with respect to WTSC only, any immunity that would otherwise be available to it against such claims under the Industrial Insurance provisions chapter 51.12 RCW.

20. LICENSING, ACCREDITATION, AND REGISTRATION

The SUB-RECIPIENT shall comply with all applicable local, state, and federal licensing, accreditation, and registration requirements and standards necessary for the performance of this Agreement. The SUB-RECIPIENT shall complete registration with the Washington State Department of Revenue, if required, and be responsible for payment of all taxes due on payments made under this Agreement.

21. RECORDS MAINTENANCE

21.1. During the term of this Agreement and for six years thereafter, the SUB-RECIPIENT shall maintain books, records, documents, and other evidence that sufficiently and properly reflect all direct and indirect costs expended in the performance of the services described herein. These records shall be subject to inspection, review, or audit by authorized personnel of the WTSC, the Office of the State Auditor, and federal officials so authorized by law. All books, records, documents, and other material relevant to this Agreement will be retained for six years after expiration. The Office of the State Auditor, federal auditors, the WTSC, and any duly authorized representatives shall have full access and the right to examine any of these materials during this period.

21.2. Records and other documents, in any medium, furnished by one party to this Agreement to the other party, will remain the property of the furnishing party, unless otherwise agreed. The receiving party will not disclose or make available this material to any third parties without first giving notice to the furnishing party and giving them a reasonable opportunity to respond, unless the material is required to be produced pursuant to the Public Records Act, RCW 42.56., *et seq.* Records required to be produced pursuant to the Public Records Act will not require third party notification. Each party will utilize reasonable security procedures and protections to assure that records and documents provided by the other party are not erroneously disclosed to third parties.

The SUB-RECIPIENT shall upon request make available to the WTSC and the United States Secretary of the Department of Health and Human Services all internal policies and procedures, books, and records relating to the safeguarding, use, and disclosure of Personal Information obtained or used as a result of this Agreement.

23. RIGHTS IN DATA

23.1. WTSC and SUB-RECIPIENT agree that all data and work products (collectively called "Work Product") pursuant to this Agreement shall be considered works made for hire under the U.S. Copyright Act, 17 USC §101 *et seq.*, and shall be owned by the state of Washington. Work Product includes, but is not limited to, reports, documents, pamphlets, advertisement, books, magazines, surveys, studies, computer programs, films, tapes, sound reproductions, designs, plans, diagrams, drawings, software, and/or databases to the extent provided by law. Ownership includes the right to copyright, register the copyright, distribute, prepare

derivative works, publicly perform, publicly display, and the ability to otherwise use and transfer these rights.

23.2. If for any reason the Work Product would not be considered a work made for hire under applicable law, the SUB-RECIPIENT assigns and transfers to WTSC the entire right, title, and interest in and to all rights in the Work Product and any registrations and copyright applications relating thereto and any renewals and extensions thereof.

23.3. The SUB-RECIPIENT may publish, at its own expense, the results of project activities without prior review by the WTSC, provided that any publications (written, visual, or sound) contain acknowledgment of the support provided by NHTSA and the WTSC. Any discovery or invention derived from work performed under this project shall be referred to the WTSC, who will determine through NHTSA whether patent protections will be sought, how any rights will be administered, and other actions required to protect the public interest.

24. SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to completion of the SOW under this Agreement, the WTSC may terminate the Agreement under the "TERMINATION FOR CONVENIENCE" clause, without the 30 day notice requirement. The Agreement is subject to renegotiation at the WTSC's discretion under any new funding limitations or conditions.

25. SEVERABILITY

If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this Agreement, and to this end the provisions of this Agreement are declared to be severable.

26. SITE SECURITY

While on WTSC premises, the SUB-RECIPIENT, its agents, employees, or sub-contractors shall conform in all respects with all WTSC physical, fire, or other security policies and applicable regulations.

27. TAXES

All payments of payroll taxes, unemployment contributions, any other taxes, insurance, or other such expenses for the SUB-RECIPIENT or its staff shall be the sole responsibility of the SUB-RECIPIENT.

28. TERMINATION FOR CAUSE

If the SUB-RECIPIENT does not fulfill in a timely and proper manner its obligations under this Agreement or violates any of these terms and conditions, the WTSC will give the SUB-RECIPIENT written notice of such failure or violation, and may terminate this Agreement immediately. At the WTSC's discretion, the SUB-RECIPIENT may be given 15 days to correct the violation or failure. In the event that the SUB-RECIPIENT is given the opportunity to correct the violation and the violation is not corrected within the 15-day period, this Agreement may be terminated at the end of that period by written notice of the WTSC.

29. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Agreement, either party may terminate this Agreement, without cause or reason, with 30 days written notice to the other party. If this Agreement is so terminated, the WTSC shall be liable only for payment required under the terms of this Agreement for services rendered or goods delivered prior to the effective date of termination.

30. TREATMENT OF ASSETS

30.1. Title to all property furnished by the WTSC shall remain property of the WTSC. Title to all property furnished by the SUB-

RECIPIENT for the cost of which the SUB-RECIPIENT is entitled to be reimbursed as a direct item of cost under this Agreement shall pass to and vest in the WTSC upon delivery of such property by the SUB-RECIPIENT. Title to other property, the cost of which is reimbursable to the SUB-RECIPIENT under this Agreement, shall pass to and vest in the WTSC upon (i) issuance for use of such property in the performance of this Agreement, or (ii) commencement of use of such property in the performance of this Agreement, or (iii) reimbursement of the cost thereof by the WTSC in whole or in part, whichever first occurs.

30.2. Any property of the WTSC furnished to the SUB-RECIPIENT shall, unless otherwise provided herein or approved by the WTSC, be used only for the performance of this Agreement.

30.3. The SUB-RECIPIENT shall be responsible for any loss or damage to property of the WTSC which results from the negligence of the SUB-RECIPIENT or which results from the failure on the part of the SUB-RECIPIENT to maintain and administer that property in accordance with sound management practices.

30.4. If any WTSC property is lost, destroyed, or damaged, the SUB-RECIPIENT shall immediately notify the WTSC and shall take all reasonable steps to protect the property from further damage.

30.5. The SUB-RECIPIENT shall surrender to the WTSC all property of the WTSC upon completion, termination, or cancellation of this Agreement.

30.6. All reference to the SUB-RECIPIENT under this clause shall also include SUB-RECIPIENT's employees, agents, or sub-contractors.

31. WAIVER

A failure by either party to exercise its rights under this Agreement shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement.

APPLICABLE CERTIFICATIONS AND ASSURANCES FOR HIGHWAY SAFETY GRANTS (23 CFR PART 1300 APPENDIX A):

32. BUY AMERICA ACT

The SUB-RECIPIENT will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using federal funds. Buy America requires the SUB-RECIPIENT to purchase only steel, iron, and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use federal funds to purchase foreign produced items, the WTSC must submit a waiver request that provides an adequate basis and justification, and which is approved by the Secretary of Transportation.

33. DEBARMENT AND SUSPENSION

Instructions for Lower Tier Certification

33.1. By signing this Agreement, the SUB-RECIPIENT (hereinafter in this section referred to as the "lower tier participant") is providing the certification set out below and agrees to comply with the requirements of 2 CFR part 180 and 23 CFR part 1300.

33.2. The certification in this section is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

33.3. The lower tier participant shall provide immediate written notice to the WTSC if at any time the lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

33.4. The terms covered transaction, debarment, suspension, ineligible, lower tier, participant, person, primary tier, principal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Covered Transactions sections of 2 CFR part 180.

33.5. The lower tier participant agrees by signing this Agreement that it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by NHTSA.

33.6. The lower tier participant further agrees by signing this Agreement that it will include the clause titled "Instructions for Lower Tier Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions, and will require lower tier participants to comply with 2 CFR part 180 and 23 CFR part 1300.

33.7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of parties Excluded from Federal Procurement and Non-procurement Programs.

33.8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

33.9. Except for transactions authorized under paragraph 33.5. of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, the department or agency with which this transaction originated may disallow costs, annul or terminate the transaction, issue a stop work order, debar or suspend you, or take other remedies as appropriate.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions

33.10. The lower tier participant certifies, by signing this Agreement, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

33.11. Where the lower tier participant is unable to certify to any of the statements in this certification, such participant shall attach an explanation to this Agreement.

34.1.2. Establish a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace; the SUB-RECIPIENT's policy of maintaining a drug-free workplace; any available drug counseling, rehabilitation, and employee assistance programs; and the penalties that may be imposed upon employees for drug violations occurring in the workplace.

34.1.3. Make it a requirement that each employee engaged in the performance of the grant be given a copy of the statement required by paragraph 34.1.1. of this section.

34.1.4. Notify the employee in the statement required by paragraph 34.1.1. of this section that, as a condition of employment under the grant, the employee will abide by the terms of the statement, notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction, and notify the WTSC within 10 days after receiving notice from an employee or otherwise receiving actual notice of such conviction.

34.1.5. Take one of the following actions within 30 days of receiving notice under paragraph 34.1.3. of this section, with respect to any employee who is so convicted: take appropriate personnel action against such an employee, up to and including termination, and/or require such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency.

34.1.6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of all of the paragraphs above.

35. FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA)

36. FEDERAL LOBBYING

36.1. The undersigned certifies, to the best of his or her knowledge and belief, that:

36.1.1. No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

36.1.2. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying, in accordance with its instructions.

36.1.3. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including sub-contracts, sub-grants, and contracts under grant, loans, and cooperative agreements), and that all sub-recipients shall certify and disclose accordingly.

36.2. This certification is a material representation of fact upon which reliance was placed when this transaction was made or

entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

37. NONDISCRIMINATION (Title VI, 42 U.S.C. § 2000d et seq.)

37.1. During the performance of this Agreement, the SUB-RECIPIENT agrees:

37.1.1. To comply with all federal nondiscrimination laws and regulations, as may be amended from time to time.

37.1.2. Not to participate directly or indirectly in the discrimination prohibited by any federal non-discrimination law or regulation, as set forth in Appendix B of 49 CFR Part 21 and herein.

37.1.3. To permit access to its books, records, accounts, other sources of information, and its facilities as required by the WTSC, USDOT, or NHTSA.

37.1.4. That, in the event a contractor/funding recipient fails to comply with any nondiscrimination provisions in this contract/funding Agreement, the WTSC will have the right to impose such contract/agreement sanctions as it or NHTSA determine are appropriate, including but not limited to withholding payments to the contractor/funding recipient under the contract/agreement until the contractor/funding recipient complies, and/or cancelling, terminating, or suspending a contract or funding agreement, in whole or in part.

37.1.5. To insert this clause, including all paragraphs, in every sub-contract and sub-agreement and in every solicitation for a sub-contract or sub-agreement that receives federal funds under this program.

38. POLITICAL ACTIVITY (HATCH ACT)

The SUB-RECIPIENT will comply with provisions of the Hatch Act (5 U.S.C. 1501-1508), which limit the political activities of employees whose principal employment activities are funded in whole or in part with federal funds.

39. PROHIBITION ON USING GRANT FUNDS TO CHECK FOR HELMET USAGE

The SUB-RECIPIENT will not use 23 U.S.C. Chapter 4 grant funds for programs to check helmet usage or to create checkpoints that specifically target motorcyclists. This Agreement does not include any aspects or elements of helmet usage or checkpoints, and so fully complies with this requirement.

40. STATE LOBBYING

None of the funds under this Agreement will be used for any activity specifically designed to urge or influence a state or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any state or local legislative body. Such activities include both direct and indirect (e.g., "grassroots") lobbying activities, with one exception. This does not preclude a state official whose salary is supported with NHTSA funds from engaging in direct communications with state or local legislative officials, in accordance with customary state practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.
