## INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal, the prospective lower-tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower-tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower-tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower-tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower-tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
5. The prospective lower-tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower-tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower-tier participant further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions,” without modification, in all lower-tier covered transactions and in all solicitations for lower-tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower-tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Non-procurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under Paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntary excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment

COMMERCE reserves the right to suspend all or part of the Contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by COMMERCE to terminate the Contract. A termination shall be deemed a "Termination for Convenience" if it is determined that the Contractor: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of COMMERCE provided in this Contract are not exclusive and are in addition to any other rights and remedies provided by law.

**18. TERMINATION FOR CONVENIENCE**

Except as otherwise provided in this Contract, COMMERCE may, by ten (10) business days written notice, beginning on the second day after the mailing, terminate this Contract, in whole or in part. If this Contract is so terminated, COMMERCE shall be liable only for payment required under the terms of this Contract for services rendered or goods delivered prior to the effective date of termination.

**19. TERMINATION PROCEDURES**

Upon termination of this Contract, COMMERCE, in addition to any other rights provided in this Contract, may require the Contractor to deliver to COMMERCE any property specifically produced or acquired for the performance of such part of this Contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

COMMERCE shall pay to the Contractor the agreed upon price, if separately stated, for completed work and services accepted by COMMERCE, and the amount agreed upon by the Contractor and COMMERCE for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by COMMERCE, and (iv) the protection and preservation of property, unless the termination is for default, in which case the Authorized Representative shall determine the extent of the liability of COMMERCE. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this Contract. COMMERCE may withhold from any amounts due the Contractor such sum as the Authorized Representative determines to be necessary to protect COMMERCE against potential loss or liability.

The rights and remedies of COMMERCE provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

Title to all property furnished by the Contractor, for the cost of which the Contractor is entitled to be reimbursed as a direct item of cost under this Contract, shall pass to and vest in COMMERCE upon delivery of such property by the Contractor. Title to other property, the cost of which is reimbursable to the Contractor under this Contract, shall pass to and vest in COMMERCE upon (i) issuance for use of such property in the performance of this Contract, or (ii) commencement of use of such property in the performance of this Contract, or (iii) reimbursement of the cost thereof by COMMERCE in whole or in part, whichever first occurs.

- A. Any property of COMMERCE furnished to the Contractor shall, unless otherwise provided herein or approved by COMMERCE, be used only for the performance of this Contract.

## Attachment A Scope of Work

Walk About Yakima (WAY) is the culmination of a multi-year initiative to engage local and federal law enforcement, prosecuting authorities, and community partners to sustainably reduce gun and gang violence in Yakima County using a multi-component strategy. In September, we will complete our pilot year. WAY is a partnership between the Yakima Police Department (YPD), the Dispute Resolution Center (DRC), Juvenile Court (JC) and Union Gospel Mission's Madison House. The primary aim of the WAY program is to reduce gang-related gun violence in the city of Yakima. The YPD provides data to the program that identifies those at highest risk of becoming incarcerated for gun violence or for being killed by gun violence. Program staff, led by Madison House, reach out to individuals identified with YPD data and offer wrap-around services that provide customized support to those who opt-in to the program. Program participants are provided a minimum of 6-months of intervention services, effectively neutralizing their participation in violent crime. Services are designed to enable them to permanently exit criminal involvement, including gang involvement.

The Yakima Police Department's (YPD) focused deterrence program has identified individuals at high risk of perpetuating gun/gang violence within our community. To reduce violent crime, the YPD program has partnered with Walk About Yakima (WAY) to provide services to deter and prevent gun/gang violence. The YPD utilizes an evidenced-based risk assessment that mathematically identifies those at the highest risk of committing violence and gun crimes in the city. The assessment is based on established criminological risk factors strongly predictive of future violent and gun-related crime, and the scoring process was designed to assist law enforcement to quickly and effectively identify those high-risk individuals.

The WAY team includes credible messenger mentors who have lived-experience in the gang lifestyle and proven track-record of working to help others exit gang activity. The WAY team is comprised of three credible messenger/mentors, two services coordinators who match services to program participants, a systems coordinator who interfaces with law-enforcement and community partners, and a supervisor.

The WAY team initiates custom notification meetings with identified individuals, consistent with the Department of Justice and Project Safe Neighborhoods Eastern District of Washington Strategic Action Plan. Custom notification is a standard method in which individualized, focused deterrence messages are delivered to those at high risk of incarceration or death from gun violence. Custom notification alone has proven to be an effective intervention in gang communities.

Credible messengers/mentors provide identified individuals the opportunity to opt-in to the WAY program. Those who opt in receive wrap-around services that are customized to each program participant to meet their specific needs and goals, including shelter, transportation, food, employment, education, childcare, relocation, clothing, mental health or addiction treatment, and assistance accessing identification documents.

Evidence-based mental-health interventions are further provided by Credible Messenger/mentors who are coached by the University of Washington Department of Psychiatry and Behavioral Health. Mental health/behavior modification skills include techniques used in dialectical behavioral therapy, multisystemic therapy, feelings regulation, and relapse prevention. The university's psychiatry and behavioral health department has determined that interventions will be best received if implemented by credible messengers/mentors rather than by traditional mental health providers.

Contractors include program advisors from the University of Washington, Department of Psychiatry and Behavioral Health, a dedicated Juvenile Court probation counselor, and UGM Madison House.

## Attachment A Scope of Work

**OUTCOME 1:** Use Yakima municipal data to identify 35-40 individuals most at risk of perpetrating gun violence in Yakima County.

**Performance measure:** The YPD Spillman data analyst generates a rolling list of youths and adults most likely to perpetrate gun violence during the 12-month program period—at least, but not limited to 35-40 individuals.

**OUTCOME 2:** Provide notification meetings to 25-30 at-risk individuals identified by Yakima municipal data. The pilot year of the program evidenced that 76% of individuals notified opted-in to the program, where 25 individuals received custom notification and 19 individuals received services.

**Performance measure:** Twenty-five to 30 individuals identified as most at risk of perpetuating gun violence will receive custom notification within the first 2 months of the program period and on an ongoing basis throughout the program period until 25-30 are notified. At-risk youths and adults will be notified by the WAY team that there will be enhanced consequences for further violence and that support and services are available for those who wish to opt in to the program.

**OUTCOME 3:** Provide program services to all program participants who opt in. “Opting in” is defined as an agreement to cease illegal activity and a commitment to participate in evidence-based program interventions provided by the WAY team. Program services include shelter, transportation, food, employment, education, childcare, relocation, clothing, mental health or addiction treatment, and navigating systems.

**Performance measure:** A minimum of 15-19 program participants who choose to opt in to the program will receive program services and evidence-based interventions. In the pilot year, 19 individuals received services.

**OUTCOME 4:** Reduce quality contacts with the criminal justice system.

**Performance measure:** Program participants who receive custom notification alone will reduce their quality contacts with the criminal justice system, measured by comparing the average number of quality contacts in the 3 years prior to the program year to the count of quality contacts following custom notification. Program participants who choose to cease violent, illegal activity and receive program services will statistically significantly reduce their quality contacts with the criminal justice system, measured by comparing the average number of quality contacts in the 3 years prior to the program year to the contacts during the program period. Essentially, this will mean neutralizing gun violence for 10-12 participants who have been identified as high risk.

**OUTCOME 5:** Reduce gang involved gun crimes in Yakima County during the program period.

**Performance measure:** Reduce gun violence in Yakima County during the program period. There will be a lower number of gun-related, gang-involved crimes committed during the program period when compared to the 12-months preceding the program.
