 Describe and attach a document showing due diligence.  
 Pac West has held this truck for the City of Yakima since last September, We held it due to future inventory being so low and hard to find. These shortages are directly related to COVID-19.

**STATEMENT OF NEED/CONFLICT OF INTEREST**

My division's recommendation for sole source is based upon an objective review of the good/service being required and appears to be in the best interest of the City. I know of no conflict of interest on my part or personal involvement in any way with this request. No gratuities, favor, or compromising action have taken place. Neither has my personal familiarity with particular brands, types of equipment, materials or firms been a deciding influence on my request to sole source this purchase when there are other known suppliers to exist.
