During this school year, the students are expected to “job shadow” or watch the City Council members while the Council members are participating in City Council activities on three different times through the school year by May 15<sup>th</sup> for approximately one to two hours on each occasion. The student either will watch by live streaming the Council meeting or watch the Council meeting video at least three different times by May 15<sup>th</sup>. City Council meetings usually begin at 5:30 p.m. on the first and third Tuesdays of each month. Other City Council meetings may be scheduled at other times.
