B. AFFORDABILITY

The project is subject to an affordability compliance period of Twenty (20) years from the date the project is completed. The project is considered completed when the final drawdown of HOME funds has been drawn by the City, which will be no later than June 1, 2023. The DEVELOPER will assure continued compliance with HOME 92.504(c)(3)(vi), 92.504(d), requirements. For rental projects this includes ongoing property standards inspections and occupancy requirements; rent limits established by HUD; and income determinations annually reviewed by the City. For homebuyer units this includes monitoring units for principal residency and recapture of funds at time of resale. HOME 92.504(c)(3)(ii) specifies that a deed restriction will also be in place throughout the affordability period.

The DEVELOPER is undertaking a rental project. This affordable housing unit project will operate as low-income farmworker housing restricted to qualified farmworkers at or below 50% of the area median income. Initial rents will be at or below 50% of the HUD HOME established High/Low HOME rents established.

Low HOME Rent Limit	740	888	1026	1145	1263	1380
High HOME Rent Limit	798	1050	1300	1431	1561	1690

Pursuant to the Affordability Covenant, DEVELOPER shall dedicate one (1) floating unit at the development to use by tenants whose gross household income does not exceed eighty percent (80%) of the Area Median Income at the time the tenant(s) initially occupies the unit and will certify annually that the tenant(s) continue to meet this income requirement.

State law currently requires a minimum of Sixty (60) days' notice to change any term of a rental contract, including the amount due and owing for rent and any increase in the amount of rent may not become effective prior to the completion of the term of the rental agreement; or, in the case of a subsidized tenancy where the amount of rent is based on the income of the tenant or circumstances specific to the subsidized household, a landlord shall provide a minimum of thirty (30) days' prior written notice of an increase in the amount of rent which will become effective upon completion of the term of the rental agreement or sooner upon mutual consent RCW 59.18.140.

C. TIME IS OF THE ESSENCE

Timely completion of the work specified in this Contract is an integral and essential part of performance. The expenditure of HOME funds is subject to Federal deadlines and could result in the loss of the Federal funds. By the acceptance and execution of this Contract, it is understood and agreed by the DEVELOPER that the PROJECT will be completed as expeditiously as possible and that the DEVELOPER will make every effort to ensure that the

project will proceed and will not be delayed. Failure to meet these deadlines can result in cancellation of this contract and the revocation of HOME funds. Since it is mutually agreed that time is of the essence as regards this Contract, the DEVELOPER shall cause appropriate provisions to be inserted in all contracts or subcontracts relative to the work tasks required by this Contract, in order to ensure that the PROJECT will be completed according to the timetable set forth. It is intended that such provisions inserted in any subcontracts be, to the fullest extent permitted by law and equity, binding for the benefit of the CITY and enforceable by the CITY against the DEVELOPER and its successors and assigns to the project or any part thereof or any interest therein.

In the event the DEVELOPER is unable to meet the above schedule or complete the above services because of delays resulting from Acts of God, untimely review and approval by the CITY and other governmental authorities having jurisdiction over the PROJECT, or other delays that are not caused by the DEVELOPER, the CITY shall grant a reasonable extension of time for completion of the WORK. It shall be the responsibility of the DEVELOPER to notify the CITY promptly in writing whenever a delay is anticipated or experienced, and to inform the CITY of all facts and details related to the delay.

D. COMMENCEMENT OF WORK

The City of Yakima, through ONDS, shall furnish the DEVELOPER with written notice to proceed upon release of funds from HUD related to the Project pursuant to 24 CFR Part 58. No work on the Project shall occur prior to the notice to proceed without written approval from the City of Yakima.

Section IV – Scope of Work

These units will be rented to qualified low to moderate income farmworker tenants below 50% AMI. One (1) of these units will be a HOME floating unit that will be monitored for a twenty (20) year affordability period per HUD regulations governing HOME Investment funded projects.

It is understood that the DEVELOPER will provide a specific working budget and realistic timetable as relates to: acquisition, construction/rehabilitation, soft costs, development fees and other allowable costs/activities prior to any fund usage. Said budget shall identify all sources and uses of funds, and allocate HOME and non-HOME funds to activities or line items. No payment will be made by the City prior to receiving the working budget. The aforementioned Work tasks will be performed in essentially the manner proposed in the DEVELOPER's proposal as received by the AGENCY on April 29, 2022. If the final invoices and report are not received within thirty (30) days of the contract closing date, DEVELOPER understands and agrees that it will not receive any payment for any final pending unpaid invoices. The City will retain ten percent (10%) until City has determined that all services have been rendered.
