

RESOLUTION NO. R-2023-

A RESOLUTION ratifying the declaration on an emergency and authorizing the purchase of a hot asphalt tank trailer.

WHEREAS, the City of Yakima's Street Division requires a hot asphalt tank trailer to perform its annual chip seal program this summer between the months of June 1st and August 31st; and

WHEREAS, the City opened a bid process for the necessary equipment, but all bidding vendors required over 270 days to deliver the required tanker, and thus are unable to provide a tank trailer before work must start during the summer season, which would result in extra cost to the City; the hot asphalt tank trailer is a critical component to the City's chip seal operations; and

WHEREAS, Kraft Tank Corporation of Kansas City, Kansas, has 5 tank trailers in stock and available at this time that meet the City's requirements; and

WHEREAS, an emergency was declared by the City Manager on February 10, 2023, under Emergency PO# 2302E, allowing the Fleet Manager to purchase one of Kraft Tank Corporation's tank trailers for \$95,380.50; and

WHEREAS, the purchase price for the 2023 Etnyre Hot Asphalt Tanker Trailer exceeds \$50,000, resulting in the need to seek ratification by City Council via resolution, in accordance with City of Yakima Administrative Code ADM 3-500 City Procurement Manual which requires approval by City Council for emergency cost; and

WHEREAS, the City Council deems it to be in the best interest of the City and its residents to ratify the City Manager's declaration of an emergency, and authorize the purchase of a hot asphalt tank trailer, now, therefore,
