Soneya,

As the Chair of the Bicycle Pedestrian Advisory Committee, I have a request about Member Status.

Proposed Motion:

Currently the Bicycle Pedestrian Advisory Committee states that all Members other than liaisons reside within the city limits. I move to amend that to allow one (1) Member to reside in Yakima County as long as that Member has a Property or Business within City limits.

This is in line with several other advisory committees and still represents the BPAC and it's projects that span the City and the County jointly.

With gratitude,

Jennifer L. Gindt
