

RESOLUTION NO. R-2023-

A RESOLUTION authorizing an agreement with ImageTrend for Emergency Medical Services (EMS) statewide reporting software for the Fire Department.

WHEREAS, Article VI, Section 6 of the City of Yakima Charter and Yakima Municipal Code Chapter 1.80 generally requires that the purchase of equipment, materials, or services in excess of \$50,000 be done by competitive bid, subject to certain exceptions; and

WHEREAS, the law recognizes a “sole source purchase” exception from these competitive bidding requirements when, due to the uniqueness of the product to be purchased and the fact that there is one source that meets our requirements, it would be futile to utilize competitive bidding for such product; and

WHEREAS, the City of Yakima Fire Department requires the purchase of EMS reporting software, as the current software will no longer be supported after December 31, 2024; and

WHEREAS, the State of Washington’s reporting of data services to the Washington Emergency Medical Services (EMS) Information System (WEMSIS) is provided through software from ImageTrend; and

WHEREAS, by the City of Yakima Fire Department completing purchase and agreement with ImageTrend, the software will be standardized with the State of Washington’s reporting system, now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF YAKIMA:

The City Manager is hereby authorized to execute a Software as a Services Agreement (SaaS) with ImageTrend, attached hereto and incorporated herein by this reference.

ADOPTED BY THE CITY COUNCIL this 17th day of October, 2023.
