Council Districts

1 - 25 Buildings

2 - 44 Buildings

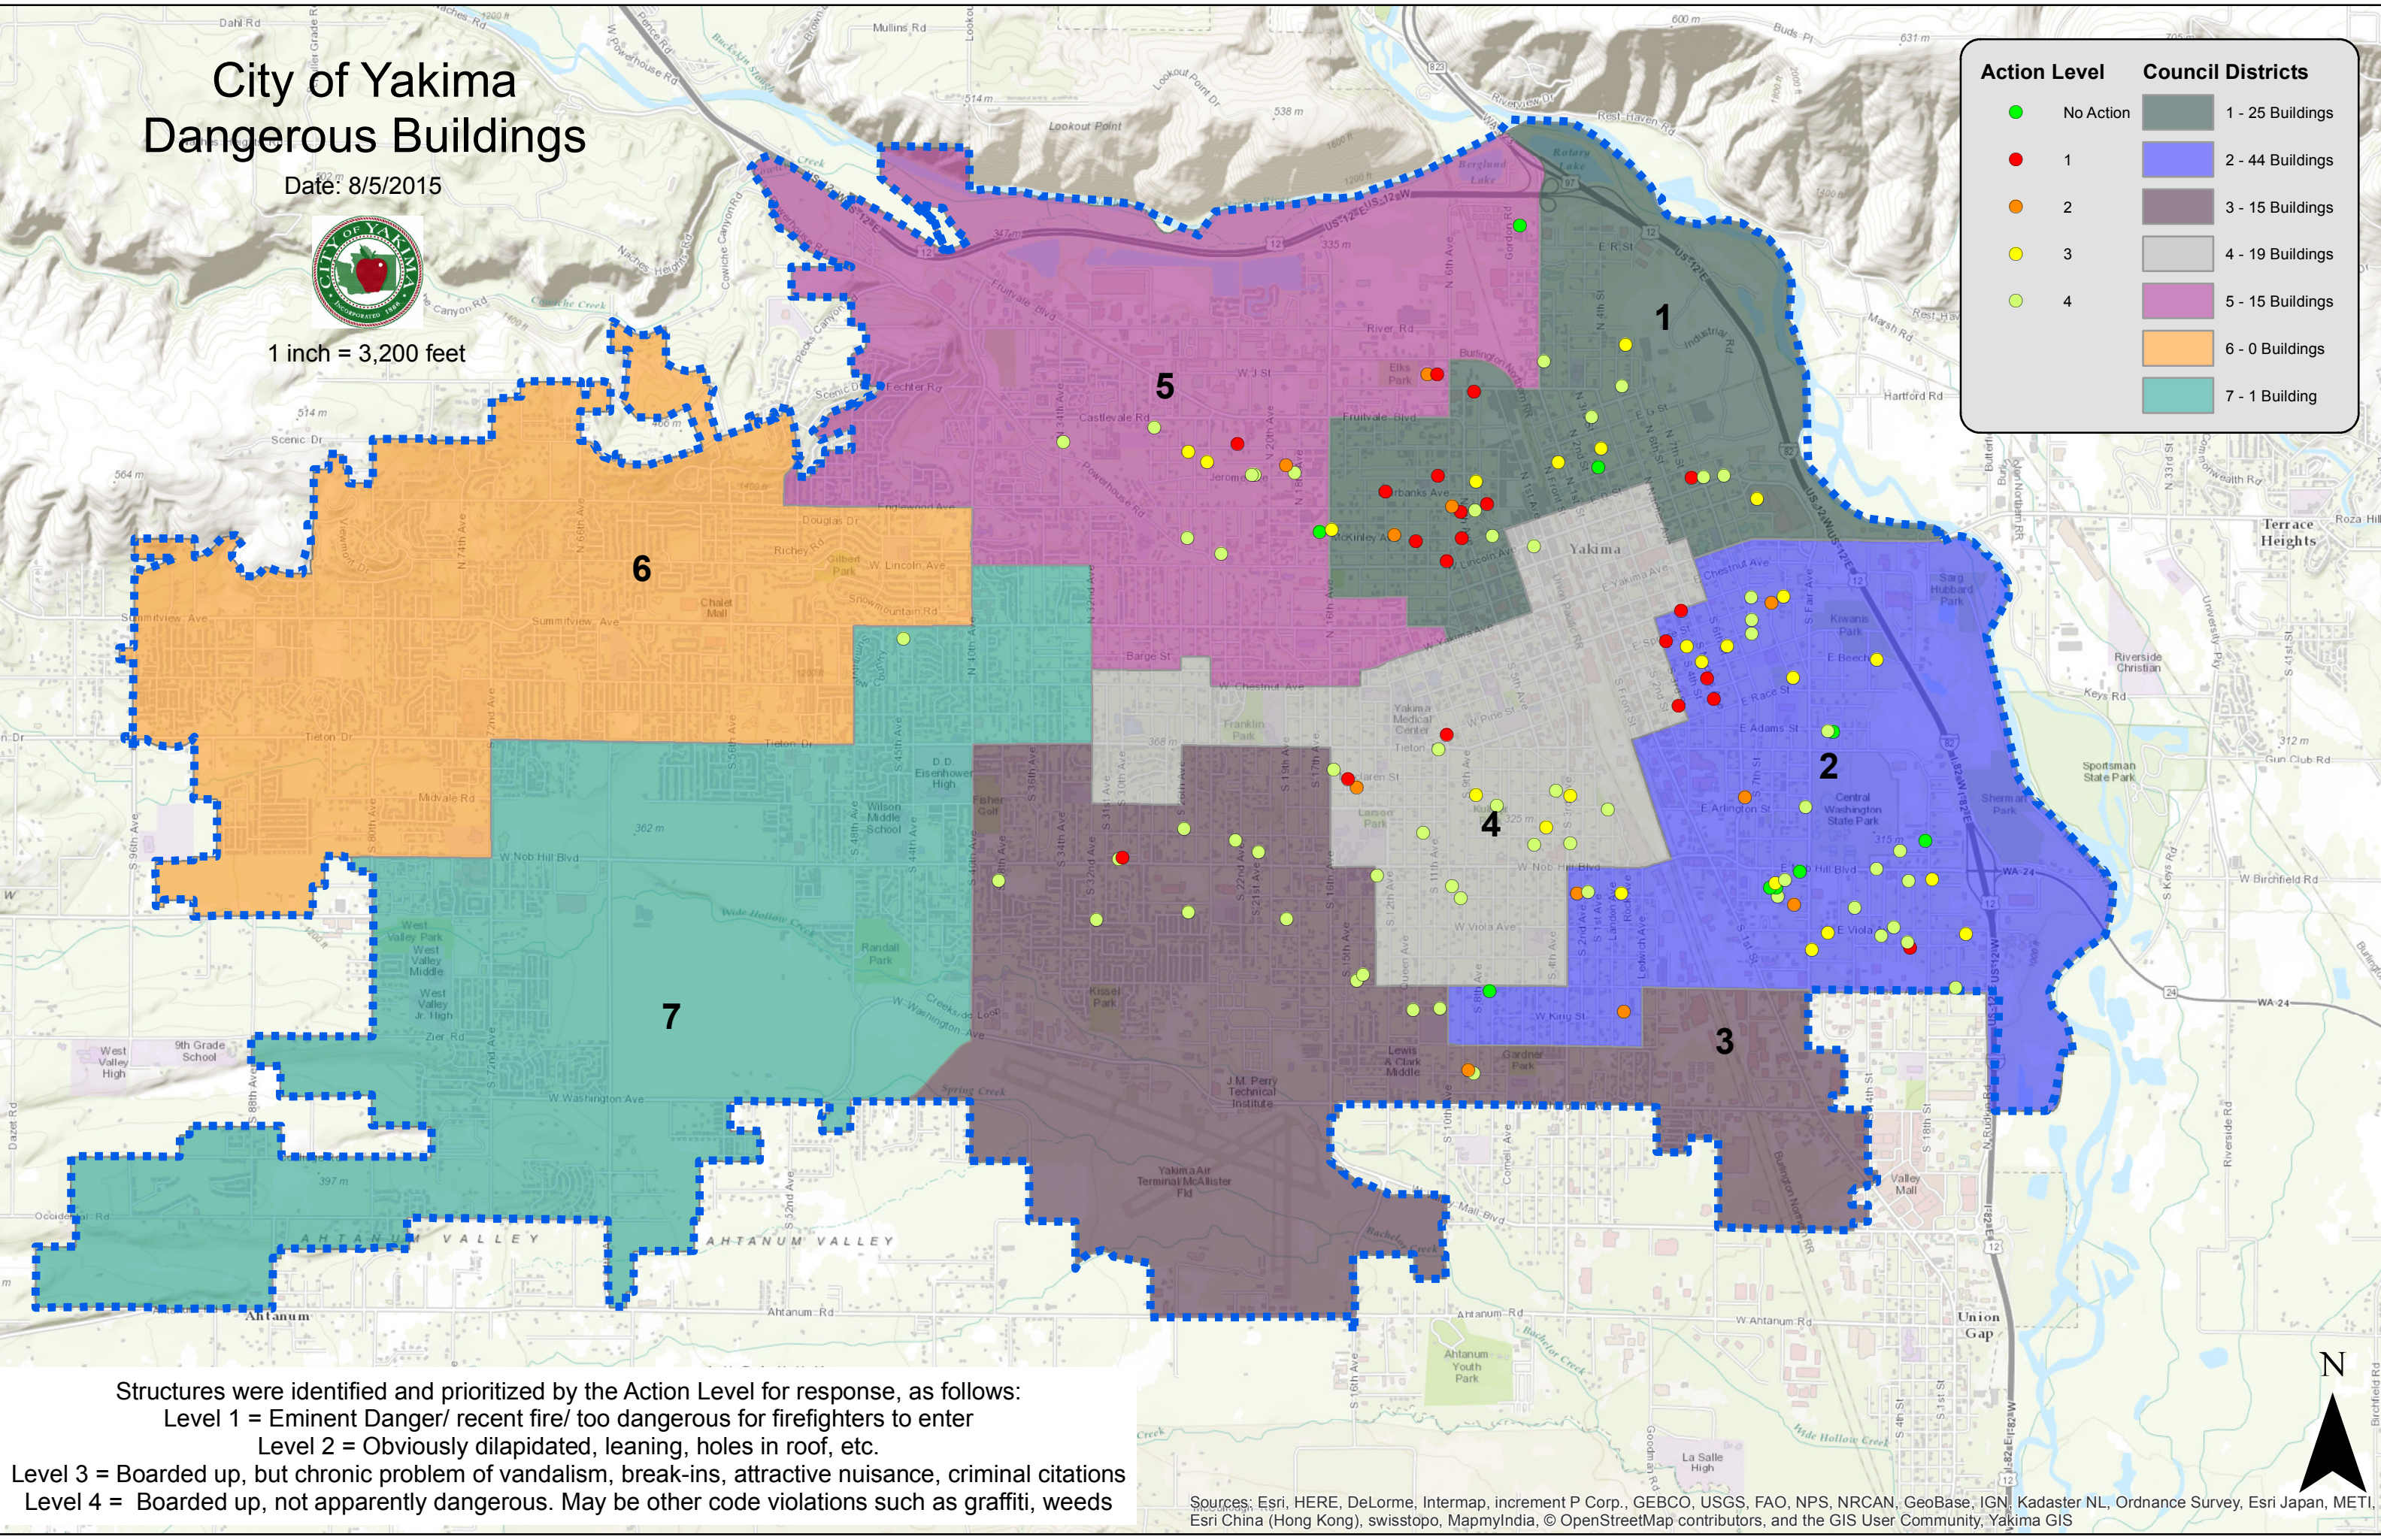

3 - 15 Buildings

4 - 19 Buildings

5 - 15 Buildings

6 - 0 Buildings

7 - 1 Building

Structures were identified and prioritized by the Action Level for response, as follows:
Level 1 = Eminent Danger/ recent fire/ too dangerous for firefighters to enter
Level 2 = Obviously dilapidated, leaning, holes in roof, etc.
Level 3 = Boarded up, but chronic problem of vandalism, break-ins, attractive nuisance, criminal citations
Level 4 = Boarded up, not apparently dangerous. May be other code violations such as graffiti, weeds
