

**ORDINANCE NO. 2015**

**AN ORDINANCE** relating to the annual property tax levy; declaring the City Council's intent to increase the City's 2016 regular levy up to 101% along with new construction, annexation, refunds and growth in state-assessed property values from the amount levied the previous year.

WHEREAS, RCW 84.55.120 requires a taxing district that collects regular levies to hold a public hearing on revenue sources for the district's following year's current expense budget, including consideration of possible increases in property tax revenues; and

WHEREAS, pursuant to RCW 84.55.120 and the City Charter, on November 17, 2015, upon due and proper legal notice, the Yakima City Council held a public hearing to consider the City's general government revenue sources for the 2016 current expense budget, and the total proposed property tax levy amount pertaining to 2016 revenues from real and personal property taxes; and

WHEREAS, RCW 84.55.120 provides that no increase in property tax revenue, other than that resulting from the addition of new construction and improvements to property in any increase in the value of state-assessed property, may be authorized by a taxing district, except by adoption of a separate ordinance or resolution, pursuant to notice, specifically authorizing the increase in terms of both dollars and percentage; and

WHEREAS, RCW 84.55.005 sets the limit factor for the increase in the regular property tax levy at the lesser of one hundred one percent or one hundred percent plus inflation, which is defined as the percentage change in the implicit price deflator (IPD) for person consumption expenditures for the United States as published for the most recent twelve-month period by the bureau of economic analysis of the federal department of commerce by September 25<sup>th</sup> of the year before the taxes are payable; and

WHEREAS, the applicable percentage change in the Implicit Price Deflator was 0.25%; and

WHEREAS, RCW 84.55.0101 allows a taxing district to use a limit factor of one hundred one percent upon a finding of substantial need by the legislative authority by a super-majority vote; and

WHEREAS, the City Council, after the public hearing on November 17, 2015, and after duly considering all relevant evidence and testimony presented, has determined that the City requires an increase in property tax revenue from the previous year above the rate of inflation, along with the addition of new construction and improvements to property and any increase in the value of state-assessed property, in order to discharge the expected expenses and
