MEMO

Date: March 15, 2016
To: Yakima City Council
From: Archie M. Matthews, ONDS Manager 

Subject: 2015 Consolidated Annual Performance Evaluation Report (CAPER)

Please be aware that because the 2015 CAPER is a report of performance throughout HUD funded programs as provided by the Office of Neighborhood Development Services as outlined in the 2015 Annual Action plan, and only a report, there is no action needed by the Yakima City Council.

A fifteen day written comment period was held, with two public hearings scheduled, the first hearing was conducted on February 16th and the second is scheduled for March 15th. After meeting these Citizen Participation requirements, the CAPER will be submitted to HUD by the due date of April 1, 2016.
