

RESOLUTION NO. R-2016-_____

A RESOLUTION authorizing the sole source purchase of an exhaust extraction/removal system to be installed in the Union Gap fire station facility

WHEREAS, Article VI, section 6 of the City of Yakima Charter and the Yakima Municipal Code Chapter 1.80 generally requires that purchases over \$25,000 be done by competitive bidding, subject to certain exceptions; and

WHEREAS, the City has entered into an agreement with Union Gap which governs the acquisition, installation and maintenance of an exhaust extraction/removal system within the Union Gap fire station facility; and,

WHEREAS, the City of Yakima Fire Department has the Nederman exhaust extraction/removal systems currently installed in all Yakima fire station facilities; and

WHEREAS, installing the same Nederman exhaust extraction/removal system in the Union Gap fire station facility promotes consistency in operation and ease of maintenance and any necessary repairs and modifications; and

WHEREAS, pursuant to RCW 39.04.280(1)(a), any requirement for competitive bidding for the acquisition of the above-described equipment is hereby waived by adoption of this Resolution, due to the fact that:

- (a) The equipment is compatible with the Nederman exhaust extraction/removal systems currently installed in Yakima fire station facilities thereby promoting consistency in operation and ease of maintenance and any necessary repairs and modifications; and,
- (b) the equipment is clearly and legitimately limited to a single source of supply

WHEREAS, the City Council finds that it is in the best interests of the City to approve the purchase of the equipment described above, and that such approval will enable the City to provide necessary and appropriate in order to promote safe operations within the facility; now therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF YAKIMA:

Section 1. The City Council finds and determines that the purchase is clearly and legitimately limited to a single source of supply, which is compatible to the exhaust extraction/removal systems currently installed in Yakima fire station facilities justifying the waiver of competitive bidding in this acquisition, which bidding requirements are hereby waived.

Section 2. The purchase of the exhaust extraction/removal equipment, as described above, for the amount of \$37,549.00 is approved.

Section 3. The City Manager, or his designee, is hereby authorized to accomplish the purchase of such equipment, and to execute any and all documentation to accomplish such purchase.

ADOPTED BY THE CITY COUNCIL this 20th day of September, 2016.

ATTEST:

Kathy Coffey, Mayor

Sonya Claar Tee, City Clerk
